

FACILWORK DATA PROTECTION POLICY

Version 1.0 – June 2026

Purpose

This policy governs the protection of personal and sensitive data.

GDPR Compliance

Personal data is processed according to GDPR principles.

Data Classification

Sensitive data is identified and protected appropriately.

Encryption

Data is encrypted in transit and protected at rest where applicable.

Retention

Data is retained only as long as necessary for legal and business purposes.

Deletion

Data is deleted or anonymized upon request or contract termination where applicable.
